

## AROUND THE BUILDING

### *Holiday Lights*

Holiday lights on the front of the building will be turned on the day after Thanksgiving. Enjoy.

### *Annual Owners Party*

Mark your calendars for Sunday December 10, 2006 for the annual owners holiday party. It will be held from 6-8pm in the Hospitality Room.

### *Lobby Tree*

The lobby tree will be decorated and lit on November 29, 2006. We hope everyone enjoys the beauty of the season through these festive decorations.

### *Holiday Safety*

Around the holidays it is particularly important to practice good safety no matter where you are. Criminals are abundant at this time of year. Be aware of your surroundings especially if you are carrying loads of packages which would make you more vulnerable to a pickpocket. Do not allow strangers to enter the building with you. Never open your door without asking who is there first. If you see a suspicious person or circumstance, immediately call 911.

### *Individual Trees*

Many of you will be decorating trees in your apartments. If you purchase a live tree, please also purchase a tree bag to cover the tree when bringing the tree into or out of the building to protect the hallways and property. A live tree needs to be monitored daily to be certain it is not dry and there is a continuous water supply in the stand. Check all lighting before putting it on the tree to make sure the wires are not frayed creating a fire hazard.

### *Zoo Lights*

Zoo Lights at the Lincoln Park Zoo opens November 24, 2006. Hours are Fri-Sun, from 5-9pm from 11/24 – 12/10, and nightly from 5-9p.m. from 12/15 – 1/1/06.

### *Festival of Lights*

The City's Annual Festival of Lights will take place on Saturday, November 18, 2006 on Michigan Ave near Chicago Ave.

## AROUND THE NEIGHBORHOOD

### *Columbus Hospital Project*

An agreement has been entered with the Columbus developer. The following are highlights:

#### **Demolition hours:**

Mon-Fri 8:00am-6:30 pm  
Saturdays 8:00am-5:00 pm  
Sundays – No Operation  
*Max 2 Saturdays per month*

#### **Excavation:**

Mon-Fri 8:00am-6:30pm  
Saturdays 8:00am-5:00pm  
Sundays – No operations

#### **Exterior Construction**

Mon-Fri: 8:00am-8:00pm  
Sat & Sun: 8:00am-4:30pm  
*No heavy activity on Sundays*

#### **Interior Construction**

City ordinance applies  
(i.e. 8am-9pm 7 days/week)

In addition area & street cleaning will be done daily, notices of street closures posted, barricades & sheltered lighting.

The developer promises to minimize disruption to the neighborhood. NO traffic from the construction on Lakeview and most side streets, workers will park on the construction site not on neighborhood streets, and a Community Liaison Committee will be the contact with a developer's rep for community concerns.

The developer has established a website at [www.2520neighbors.com](http://www.2520neighbors.com) and will update it weekly to announce street closings and other events, and post demolition and construction schedules.
